APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,  
and do hereby grant the same, subject to the following limitations and

conditions: This permit is issued subject to all prior rights on the source.  
It is understood that the one-quarter (0.25) of a cubic foot per second of water  
herein granted is only a temporary allowance and that the final water right ob-  
tained under this permit will be dependent upon the amount of water actually plac-  
ed to a beneficial use. It is further understood that accurate measurements of  
the water placed to a beneficial use must be included in the proof of such use  
when filed. The State reserves the right to regulate the use of the water here-  
in granted at any and all times.

The amount of water to be appropriated shall be limited to the amount  
which can be applied to beneficial use, and not to exceed One-quarter (0.25) of a  
cubic foot per second.

Actual construction work shall begin on or before October 30, 1942

Proof of commencement of work shall be filed before November 30, 1942

Work must be prosecuted with reasonable diligence and be completed on or  
before October 30, 1944

Proof of completion of work shall be filed before November 30, 1944

Application of water to beneficial use shall be made on or before  
October 30, 1945

Proof of the application of water to beneficial

use must be filed with State Engineer on or before November 30, 1945

Map Filed OCT 14 1941

Proof of commencement of work filed DEC 10 1942

WITNESS MY HAND AND SEAL this 30th day

of April, 1942

Withdrawn by applicant OCT 25 1950
